Dear Business Owners:

"It's all how you weather the storm" We're doing our part by recycling and conserving paper as well as minimizing cost for mailing (when deemed appropriate) Black-and-white/front and back printed copies, and if hand delivered - no envelopes for sponsor letters this year - all in an effort to reduce costs and maximize funding for our program - **MONROE TWP. BRAVES YOUTH FOOTBALL & CHEERLEADING ORGANIZATION.**

You may have noticed our large football shaped registration signs - these are RECYCLED signs which adorned our fields two seasons ago. We take our non-profit status seriously and want to prove to our sponsors that every penny is directly put right back into our program benefiting our participating children. Our goal is to create the safest, most positive youth sports experience for our kids to carry with them for the rest of their lives! All created on their hometown fields with your support!

 Please note: On the left side margin of this letter, you will see a list of businesses we PROUDLY call our 2008 Sponsors! Their generous support last year, tremendously enhanced our program - and their repeated support year after year, proves our dedication to our community and children.

MT BRAVES are proud members of South Jersey Elite Youth Invitational Football League (SJE) - and we are the LARGEST organized youth football organization in the entire State of New Jersey. SJE is also the largest invitational league in the State - check out their website ([www.sjefootball.org](http://www.sjefootball.org)). We have a close working relationship with Williamstown High School Football staff in order to better prepare our children for the future. Our board members, coaches and parents (the best parents in the world!) selfishly dedicate their time - year round - Our season starts in August and typically runs thru November - with our cheerleaders extending our season into December with their competitions. Our Braves family 'works' each month in order to make the MT BRAVES organization the premier program that it is today.

Please take a moment to check out our website and see for yourself what the MT BRAVES are all about! [www.mtbravesonline.com](http://www.mtbravesonline.com) - Sponsorships are available on many different levels - and can be completed ONLINE!!!! Every sponsorship level is important to us! Individual Child Sponsorships and 2 Year Parks & Recreation Banner information are also available online! If you should have any questions, please do not hesitate to contact Jeanne Colombo, Director of Sponsorships at 856-262-0611.

## **Structure - Organization - Leadership - Dedication - Teamwork**

Rest assured, your contribution to the more than 500 participating children is greatly appreciated, desperately needed, extremely necessary, and most of all, the key to a successful 2009 season!

Our Sincere Gratitude and Thanks,  
MT BRAVES Board of Directors
